Dear Miss Emekpo

RECOGNITION FOR EXCELLENT ACHIEVEMENT

Programme: BSc
Plan: Computer Science

Congratulations on your excellent final school results and your admission to the abovementioned plan at the University of Pretoria in the **Faculty of Engineering, Built Environment and Information Technology**.

We are delighted to once again confirm that you have been placed in **Azalea** residence.

According to the University of Pretoria's financial aid calculation (<https://www.up.ac.za/student-funding/article/2746337/flyup-assist-1st-year-awards>) you have achieved an average of **86.33%** and we are excited to confirm that you may be eligible for a Fly@UP Assist 1st Year Award. The amounts stated in the table below, reflect the 2022 award amounts. Please visit our web page at <https://www.up.ac.za/student-funding/article/2746337/flyup-assist-1st-year-awards> frequently to stay abreast of possible changes in award amounts.

Qualifying average percentage	Faculty		
	Faculty of Natural and Agricultural Sciences	Faculty of Health Sciences	Other Faculties
	Faculty of Engineering, Built Environment and Information Technology	Faculty of Veterinary Science	
75%-79,99%	R6 500	X	X
80%-84,99%	R16 000	R6 500	R16 000
85%-89,99%	R25 000	R16 000	R25 000
90%-100%	R40 000	R25 000	R40 000

Please note

- The award is subject to the correctness and disclosure of all relevant information to the University of Pretoria.
- The amount will be paid directly into your student account by 30 April, after registration in 2023.

- For a comprehensive list of criteria and conditions, please visit our web page at <https://www.up.ac.za/student-funding/article/2746337/flyup-assist-1st-year-awards>.
- The award is fully repayable if you discontinue or terminate your studies for whatever reason during the year in which the award is made.
- Should you change your programme during the year in which the award is made, the award value allocated for the programme you initially registered for will remain unchanged. The award will not be cancelled or adjusted upward/downward to align with the subsequent programme you register for.
- Please note: The University of Pretoria reserves the right to amend award values without prior notice.

We bid you a warm welcome as a student in the 2023 academic year.

Your next step is to **register online** from 24 January 2023. During this time first-year students will only be able to register for fundamental modules – enrichment modules that all students are required to take – and core modules (compulsory subjects related modules that all students have to take for their chosen study programme). First years with fixed curricula can register for their modules as they appear on the registration page. First-year students with elective modules will then have to register for their remaining elective modules (modules that can be selected from a pre-defined list), during the Orientation Week (13-17 February 2023). During this period, they will receive information on modules that will help them make an informed decision. Comprehensive information on registration is available at: <http://www.up.ac.za/online-registration>.

We also invite you to attend **Welcome Day** on 11 February 2023, when we will welcome our first-year students and their parents and guardians to the UP family. You will receive your invitation via email during January.

Attend Orientation. The 2023 Academic Orientation Week will be presented in a **hybrid fashion**; most of the activities will be hosted face-to-face and on campus. Day two (2) will be presented via the online module **UPO** on **clickUP** (UP's online learning environment). Detailed information will be shared in the programmes. [Click here](#) to learn more. The online part of the Academic Orientation programme will still be available in your UPO module after the Academic Orientation Week.

We wish you a successful academic journey at the University of Pretoria.

Should you require more information, please phone +27 (0)12 420 3111 or send an email to: ssc@up.ac.za

Yours sincerely
